Undeniable

Dannii Minogue

Undeniable
(Na, na, na, na)
Incredible
(Na, na, na, na)
Beautiful
(Na, na, na, na)
(Na, na, na, na)
Don?t wanna fall asleep
I lie still and watch you breathe
Here by your side
My time with you alone
Means no pleasure left unknown
And we come to life
Tick-tock, watching the clock
Wishing that the hands of time would stop
I know we got something
So undeniable, it?s better than incredible
It?s something beautiful, untouchable
Don?t you know you?re so irresistible, it?s unthinkable
I?d ever let you go now that we?re in the flow
I know I?ve found a perfect place
When I succumb to your embrace
It?s so good, it hurts
I don?t wanna have to choose between
What I love and what I need
So come into my world
Tick-tock, watching the clock
Wishing that the hands of time would stop
Right here we got something

So undeniable, it?s better than incredible
It?s something beautiful, untouchable
Don?t you know you?re so irresistible, it?s unthinkable
I?d ever let you go now that we?re in the flow
Oh no, how are we gonna handle?
All the time we?re not together, baby
How can we keep it in the flow?
(So undeniable)
So undeniable

(Something beautiful)
Something so beautiful
(Irresistible)
I?ll never be letting you go
(Now that we?re in the flow)
Now that we?re in the flow
So undeniable, it?s better than incredible
It?s something beautiful, untouchable
Don?t you know you?re so irresistible, it?s unthinkable
I?d ever let you go now that we?re in the flow
So undeniable, it?s better than incredible
It?s something beautiful, untouchable
Don?t you know you?re so irresistible, it?s unthinkable
I?d ever let you go now that we?re in the flow
So undeniable, it?s better than incredible
It?s something beautiful, untouchable
Don?t you know you?re so irresistible, it?s unthinkable
I?d ever let you go now that we?re in the flow
