Purr La Perla

Violet Indiana

What a life we are living
No one says a word
What a life we are playing at
With our feeling's never heard
Oh you never want to hear
I 'm silent while I cry[Chorus]
I wish I could love you
If only I knew
I wish I could love you
Instead of saying I doI live a world apart from you
Oh your living so deep in you
I'm wondering about the distance
I'm questioning you
I'll never be your picture
I can see the rage in you[Chorus]
