Makes No Sense At All

OutKast

Man y'all play too much
Now now Percival, don't fret
We're here to help youI told you to bring good songs
What are you gonna do now?
Look at the keys
Well you gotta do something
Keep your eyes on the keysHere's looking at you kid
Okay okay, well, make up somethin yeah right
You won't make sense, I don't know lets try it
Here we goMakes no sense at all
Makes no sense at all
Makes no sense at all
Makes no sense at allABC, 123, do-re-mi, out of key
You got that right
Out of touch, out of tune, butter knife, tea spoon
Now what was that?Razz-a-matazz, thing-a-majig, whatchamacallit, bullshit
So and so, such and such, bullshit, pretty much
I think I'm gonna throw upMakes no sense at all
Makes no sense at all, blah blah, blah blah
Makes no sense at all, blah blah, blah blah
Makes no sense at all, blah blah1 and 1 makes 2, 2 and 2 makes 4
4 and 4 makes 8, 8 and 8 makes 16
16 and 16 makes, 32 Percival
Ahh makes no sense at all
Who needs lyrics anyway
Umm, you!How in the hell do we get ourselves in these situations?
How in the hell do we get ourselves in these situations?
How in the hell do we get ourselves in these situations?
How in the hell do we get ourselves in these situations?How in the hell do we get ourselves in these situations?
How in the hell do we get ourselves in these situations?
How in the hell do we get ourselves in these situations?
How in the hell do we get ourselves in these situations?
(Hey! Hey little buddy where you going?)How in the hell do we get ourselves in these situations?
(Come back man! We was just playin!)
How in the hell do we get ourselves in these situations?
(Come on man!)
How in the hell do we get ourselves in these situations?
(See I pissed him off)
How in the hell do we get ourselves in these situations?How in the hell do we get ourselves in these situations?

How in the hell do we get ourselves in these situations?
How in the hell do we get ourselves in these situations?
How in the hell do we get ourselves in these situations?
