## Raise your weapon (azulureus remix)

## deadmau5

Rippin' my heart was so easy, so easy Launch your assault now, take it easy

Raise your weapon, raise your weapon,

One word and it's overRippin' through like a missile,

Rippin' through my heart,

Rob me of this love

Raise your weapon, raise your weapon,

And it's overLove your ego, you won't feel a thing

Always number one,

The pen with a bent wrist crooked king

Sign away our peace, for your war

One word and it's over

Dropping your bombs now, on all we've built

How does it feel now to watch it burn, burn, burn?

Raise your weapons, raise your weapons,

And it's overRippin' through like a missile,

Rippin' through my heart,

Rob me of this love

Raise your weapon, raise your weapon,

And it's overHow does it feel now to watch it burn (burn)?Rippin' my heart was so easy, so easy

Launch your assault now, take it easy

Raise your weapon, raise your weapon,

One word and it's overRippin' through like a missile,

Rippin' through my heart,

Rob me of this love

Raise your weapon, raise your weapon,

And it's overLove your ego, you won't feel a thing

Always number one,

The pen with a bent wrist crooked king

Sign away our peace, for your war

One word and it's over

Dropping your bombs now, on all we've built

How does it feel now

To watch it burn, burn, burn?

Raise your weapons, raise your weapons,

And it's over
