

Burning Bright

Shinedown

I feel like there is no need for conversation
Some questions are better left without a reason
And I would rather reveal myself than my situation
Now and then I consider my hesitationThe more the light shines through me
I pretend to close my eyes
The more the dark consumes me
I pretend I'm burning, burning brightI wonder if the things I did were just to be different
To spare myself of the constant shame of my existence
And I would surely redeem myself in my desperation
Here and now I'll express my situationThe more the light shines through me
I pretend to close my eyes
The more the dark consumes me
I pretend I'm burning bright
The more the light shines through me
I pretend to close my eyes
The more the dark consumes me
I pretend I'm burningThere's nothing ever wrong, but nothing's ever right
Such a cruel contradiction
I know I crossed the line, it's not easy to define
I'm born to indecision
There's always something new, some path I'm supposed to choose
With no particular rhyme or reasonThe more the light shines through me
I pretend to close my eyes
The more the dark consumes me
I pretend I'm burning bright
The more the light shines through me
I pretend to close my eyes
The more the dark consumes me
I pretend I'm burningI feel like there is no need for conversation
