

# Before The Damned

## All That Remains

Let them hail the hollow one  
Bow before the damned  
Forge ahead into the night  
Forget the lessons of the past No remorse for the sinner  
No repent for the waking dead  
Hide their faces from the light  
Let the past live again We will still set in motion  
Changing of the time  
We have not forgotten  
We control our lives Fallen feed on fallen now  
Let the wretched have their fill  
Feast not with the beast of old  
Taste the fruit of ill will
