

No Good At All

Badfinger

Don't let your mother see you rock
Don't let your mother see you roll
Don't let your mother hear you knocking
Don't let your mother see you go
Don't ever let her see you out of your head
Do you no good at allNa, na, na, na, na
Na, na, na, na, na
Na, na, na, na, naDon't let your brother put you down
Don't let your brother put you on
Don't let your brother hear your barking
Don't let your brother see you go
Don't ever let him see you out of your head
Do you no good at allNa, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na
