

Flower Tattoo

Down By Law

Do ya wanna go for a walk?
You can hold my hand, we can laugh and talk
You can lead the way which way you wanna go
Tell me all the things, I really wanna know
Hair is gold and her eyes are blue
I'm in love with a girl with a flower tattoo
With a T-shirt sneakers, some faded blue jeans
A pocket in the back, ripped from the seams
She really doesn't really care what she hear or see
What they think about her, what they think about me
Hair is gold and her eyes are blue
I'm in love with a girl with a flower tattoo
And if I wrote the perfect song
You know I'd name it after you
Hair is gold and her eyes are blue
I'm in love with a girl with a flower tattoo
