

The Chamber (Joshua Grey 2k14 Remix)

[Lenny Kravitz](#)

You killed the love that was once so strong
With no regret to what you did wrong
Should I stay and fight? Can we make this right?
You looked through me like an open door
Do I exist to you anymore?
'Cause when I'm talking to you
There's someone else that you're hearing
I gave you all the love I had
And I almost gave you one more chance
Then you put one in the chamber
And shot my heart of glass
This time will be the last You've played your game, used me like a pawn
Check mate, you're done and then you were gone
Did I moved too fast? I thought we would last
Now that you're through, I can't feel your soul
Where there was love lies an empty hole
'Cause when I make love to you
It's someone else that you're feeling I gave you all the love I had
And I almost gave you one more chance
Then you put one in the chamber
And shot my heart of glass
This time will be the last
I gave you all the love I had
And I almost gave you one more chance
Then you put one in the chamber
And shot my heart of glass
This time will be the last For so many nights
I've been standing at the wall
Blind folded with cigarette
Waiting for the fall I gave you all the love I had
And I almost gave you one more chance
Then you put one in the chamber
And shot my heart of glass
This time will be the last I gave you all the love I had
And I almost gave you one more chance
Then you put one in the chamber
And shot my heart of glass
This time will be the last I gave you all the love I had
And I almost gave you one more chance

Then you put one in the chamber
And shot my heart of glass
This time will be the last
