

# Pinball Wizard

## McFly

Ever since I was a young boy  
I've played the silver ball  
From Soho down to Brighton  
I must have played them all I ain't seen nothing like him  
In any amusement hall  
That deaf, dumb and blind kid  
Sure plays a mean pinball Stands like a statue  
Becomes part of the machine  
Feeling all the bumpers  
Always playing clean Plays by intuition  
The digit counters fall  
That deaf, dumb and blind kid  
Sure plays a mean pinball He's a pinball wizard  
There has to be a twist  
A pinball wizard  
Got such a supple wrist How do you think he does it?  
I don't know  
What makes him so good? Ain't got no distractions  
Can't hear no buzzers and bells  
See no lights a-flashin'  
Plays by sense of smell Always gets a replay  
Never seen him fall  
That deaf, dumb and blind kid  
Sure plays a mean pinball Thought I was  
The Bally table king  
But I just handed  
My pinball crown to him At my favorite table  
He can beat my best  
Doubles lead him in  
He just does the rest He's got crazy flipping fingers  
I've never seen him fall  
That deaf, dumb and blind kid  
Sure plays a mean pinball
