

Sunrise (Jason Nevins remix)

Duran Duran

Lalalala lalalala lalalala-la
Now the time has come,
The music between us
Though the night seems young-
Is at an end
Only change will bring
You out of the darkness
In this moment everything is born again
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Now the fireball burns,
We go round together
As the planet turns into the light
Something more than dreams to
Watch out for each other?
Coz we know what it means to be alive
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Feel the new day,
Enter your life,
Feel the new day,
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Reach up for the sunrise
Put your hands into the big sky

You can touch the sunrise
Feel the new day enter your life
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
