

Sunglasses At Night (Evanomics Remix)

Corey Hart

I wear my sunglasses at night
So I can so I can
Watch you weave then breathe your story lines
And I wear my sunglasses at night
So I can so I can
Keep track of the visions in my eyes While she's deceiving me
It cuts my security (has)
She got control of me
I turn to her and say Don't switch the blade on the guy in shades, oh no
Don't masquerade with the guy in shades, oh no
I can't believe it
'Cause you got it made with the guy in shades, oh no And I wear my sunglasses at night
So I can so I can
Forget my name while you collect your claim
And I wear my sunglasses at night
So I can so I can
See the light that's right before my eyes While she's deceiving me
She cuts my security
She got control of me
I turn to her and say Don't switch the blade on the guy in shades, oh no
Don't masquerade with the guy in shades, oh no
I can't believe it
'Cause you got it made with the guy in shades, oh no She's deceiving me
It cuts my security (has)
She got control of me
I turn to her and say Don't switch the blade on the guy in shades oh no
Don't masquerade with the guy in shades, oh no
I can't believe it
Don't be afraid of the guy in shades, oh no
It can't escape you
'Cause you got it made with the guy in shades, oh no I say
I wear my sunglasses at night
I wear my sunglasses at night
I wear my sunglasses at night
I say it to you now
I wear my sunglasses at night
I wear my sunglasses at night
I wear my sunglasses at night
I cry to you

I wear my sunglasses at night
I wear my sunglasses at night
