

Fever

Rita Coolidge

Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bearYou give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the nightEv'rybody's got the fever
That is something you all know
Fever isn't such a new thing
Fever started long agoSun lights up the daytime
Moon lights up the night
I light up when you call my name
And you know I'm gonna treat you rightYou give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the nightRomeo loved Juliet
Juliet she felt the same
When he put his arms around her
He said, Julie baby, you're my flameThou givest fever when we kisseth
Fever with thy flaming youth
Fever, I'm afire
Fever, yea I burn forsoothCaptain Smith and Pocahontas
Had a very mad affair
When her daddy tried to kill him
She said Daddy-o don't you dareHe gives me fever with his kisses
Fever when he holds me tight
Fever, I'm his Missus,
Oh daddy, won't you treat him rightNow you've listened to my story
Here's the point that I have made
Cats were born to give chicks fever
Be it Fahrenheit or centigradeThey give you fever when you kiss them
Fever if you live and learn
Fever till you sizzle
What a lovely way to burn
What a lovely way to burn
What a lovely way to burn
