

Am I 2 Blame?

Razed In Black

Advisory - the following lyrics contain explicit language:

U say that I ...
Am the one that you lust
The U aim 2 please
The one you'll take a beating
Get down on your knees
The one you're shy to trust
Though allowed to do it all
Your prince of thieves
You beg and you crawl
... U say that IU say that I ...
Your aphrodeia
Subject of self-pleasure
Force you subconsciousness to hide
... U say that I
bring out the beast within
the porn star deep inside
bring out the stripper, pimp, ho, slut
... U say that It's like you're cast under a spell
I've place upon you
Unlike you've ever been before
Tell me - Am I 2 Blame?U say that I ...
The one that U say
Drown innocence away
Transform the meek to sensual slaves
U say that I ...
The one you call master
The one I make quiver
The one you beg you're desperate in needAnd I crawl away
As I fall (for you)
Are you one to blame for this
