

# Watching You

## Slave

Every breath you take  
And every move you make  
Every bond you break, every step you take  
I'll be watching you Every single day  
And every word you say  
Every game you play, every night you stay  
I'll be watching you Oh, can't you see  
You belong to me  
How my poor heart aches  
With every step you take  
Every move you make  
Every vow you break  
Every smile you fake, every claim you stake  
I'll be watching you Since you've gone I've been lost without a trace  
I dream at night, I can only see your face  
I look around, but it's you I can't replace  
I feel so cold and I long for your embrace  
I keep crying baby, baby please
