

Nuclear

Kriegsmaschine

This is where the summer ends
In a flash of pure destruction, no one wins
 Go nuclear, nuclear
The violets in my eyelids goin' red
 Sentimental geek
 Shut up and go to sleep
The calm, the beach and the remains
Of the bathing suits and porches all in flames
 Go nuclear, nuclear
When I saw her and the Yankees lost to the braves
 Sentimental geek
 Sentimental geek
 Sentimental geek
 Shut up and go to sleep
 Give me an answer
 Give me an answer
 Give me an answer
 Give me an answer
 Give me love
 Give me love
