

Slow Grind

Js

I just wanna Slow Grind
We can dance all night
Whisperin' what's on your mind
Get somewhere and spend the night
Listen
You put your arms around my waist
Then I'll put my arms around your neck, babe, ah yeah
Closer till we feel our bodies meet
Now tell me baby, can you feel what I feel?
Keep it real boy, it's that body heat
I just wanna Slow Grind
(Slow Grind)
We can dance all night
(We can dance all night, baby)
Whisperin' what's on your mind
(Whisperin' what's on your mind, yeah)
Get somewhere and spend the night
(Spend the night, I)
I just wanna Slow Grind
(I just wanna Slow Grind)
We can dance all night
(And we can go all night long)
Whisperin' what's on your mind
(Whisperin' what's on your mind)
Get somewhere and spend the night
(We can get somewhere and spend the night, now)
I can't believe it's your body I'm holding
(Sing girl)
Now tell me baby can you feel my pelvis slowly rolling
You gettin' head up just by looking at me
Now, tell me baby, can you feel what I feel
Keep it real, boy, it's that body heat
I just wanna Slow Grind
(Slow Grind, yeah, dance all night)
We can dance all night
(Baby whispering in words in ya)
Whisperin' what's on your mind
(On my mind)
Get somewhere and spend the night

(Yeah)
(I just wanna slow)
I just wanna Slow Grind
(I just wanna slow, oh, oh grind)
We can dance all night
(Baby we can dance all night, yeah)
Whisperin' what's on your mind
(We'll get somewhere)
Get somewhere and spend the night
(Let's go to ya condo on the North side)
Slowly we turn
(Slowly we turn)
Inch by inch
(Inch by inch)
Step by step
(Step by step)
We getting closer and closer
(Closer, till we)
I just wanna Slow Grind
(Slow Grind)
We can dance all night
(We can dance all night)
Whisperin' what's on your mind
(You've been whispering what's on your mind, yeah)
Get somewhere and spend the night
(Baby, after this let's get somewhere and spend the night, yeah)
I just wanna Slow Grind
('Cuz I've been watchin' you for a while)
We can dance all night
(Waiting for a slow jam so I can put it down)
Whisperin' what's on your mind
(When your body, bring your body close to mine)
(Close your mind, make sweet love)
Get somewhere and spend the night
(Lights off, oh, let's slow grind)
I just wanna Slow Grind
(So run and tell the DJ)
We can dance all night
(To put a nickel on the needle)
Whisperin' what's on your mind
(So the record don't bust)
Get somewhere and spend the night
I just wanna Slow Grind
We can dance all night
Whisperin' what's on
