

# New Deep

John Mayer

I'm so alive  
I'm so enlightened  
I can barely survive  
A night in my mind  
So I've got a plan  
I'm gonna find out just how boring I am  
And have a good time 'Cause ever since I tried  
Trying not to find  
Every little meaning in my life  
It's been fine  
I've been cool  
With my new golden rule Numb is the new deep  
Done with the old me  
And talk is the same cheap, it's been Is there a God?  
Why is he waiting?  
Don't you think of it odd  
When he knows my address?  
And look at the stars  
Don't it remind you just how feeble we are?  
Well it used to, I guess 'Cause ever since I tried  
Trying not to find  
Every little meaning in my life  
It's been fine  
I've been cool  
With my new golden rule Numb is the new deep  
Done with the old me  
And talk is the same cheap, it's been I'm a new man  
I wear a new cologne and  
You wouldn't know me if your eyes were closed  
I know what you'll say  
'This won't last longer than the rest of the day'  
But you're wrong this time  
You're wrong Numb is the new deep  
Done with the old me  
I'm over the analyzing  
Tonight Stop trying to figure it out  
(You try to figure, you try to figure it out)  
Deep will only bring you down  
You know, I used to be the back

porch poet with my book of rhymes  
Always open knowing all the time I'm probably  
Never gonna find the perfect rhyme  
For 'heavier things'
