

# Turnin Me On (MSTRKRFT Remix) [feat. Lil Wayne]

Keri Hilson

Please don't turn me off, yeah, like this, where you at shawty? You fly as hell, swagga right, brown skin poppin'  
You know just how to talk to me  
Know just how I like it  
You turnin' me on, you turnin' me on, you turnin' me on Now wait a minute little buster  
You got one more time to feel on my booty  
Better recognize a lady  
That ain't the way you do me  
You turnin' me off, you turnin' me off, you turnin' me off  
Better recognize a real woman You ever try to get that close to me  
You better come correct how you 'proachin' me  
Dime divas give it to me  
I gotta be feeling your energy  
I gotta be for sure that you're into me  
Recognize a real woman Going up on it, you acting like you want it  
And you stuntin' like your daddy checkin' for this little mama  
You turnin' me on, you turnin' me on, you turnin' me on Now wait a minute little buster  
Now you don't even know me but you wanna take me shopping  
You a lame, I can tell it ain't big shit poppin  
You turnin' me off, you turnin' me off, you turnin' me off  
Better recognize a real woman All you wanna do is holla at the cutest broad to get up in them draws  
Got money, don't try to buy me bottles, got my own dollars  
I could buy up the bar if I want it You ever try to get that close to me  
You better come correct how you 'proachin me  
Dime divas give it to me  
I gotta be feeling your energy  
I gotta be for sure that you're into me  
Recognize a real woman I'm I'm fly as hell swagger right,  
Brown skin popping like dynamite  
Raw like china white, Mami I dig your persona right  
You look baby mama type,  
I know that got you kinda hype  
My ice is albino white I hope your vagina tight  
I'll go under water and I hope your piranha bite  
Hot carter I'm a kiss the spot for ya  
And I'm a kiss it til you scream wait a minute motherfucker ha  
Yeah I turn you on like a handle  
Like a television on the weather channel  
Cause I make it rain girl  
Now call me Wayne girl

You just a earthling you ain't never been to Wayne's World  
I play to win, I bait 'em in, I do my thing  
Now you're in love with an alien  
Polo on da beat and Weezy up I'm at the plate again  
Keri if you pitch it at me I'm a swing away at it  
Someone better play da fence  
Someone better tell em bout me  
Baby I'm the shit and that's the only thing you smell around me  
Weezy f baby don't forget the f around me  
And if you do then get the f from 'round me you turnin' me off Yeah yeah  
Polo I told you I got you  
Miss Keri baby  
Miss Keri baby  
You ever try to get that close to me  
You better come correct how you 'proachin' me  
Dime divas give it to me I gotta be feeling your energy  
I gotta for sure that you into me  
Recognize a real woman Yeah miss Keri baby, young Weezy baby, young mula baby
