

Disney Love Medley

Voctave

All those days
Watching from the windows
All those years
Outside looking in
All that time
Never even knowing
Just how blind I have been Now I'm here
Blinking in the silent
Now I'm here
Suddenly I see
Standing here
It's all so clear
And we are meant to be
And at last, I see the light
And it's like the fog has lifted
And at last, I see the light
And it's like the sky is new
And it's warm and real and bright
And the world has somehow shifted
All at once
Everything looks different
Now that I see you Come stop your crying
It will be all right
Just take my hand
Hold it tight
I will protect you
From all around you
I will be here
Don't you cry
For one so small
You seem so strong
My arms will hold you
Keep you safe and warm
This bond between us
Can't be broken

I will be here don't you cry, don't you cry When destiny calls you, you must be strong (You better be strong)
I may not be with you, but you've got to hold on
They'll see in time, I can see that
We'll show them together You'll be in my heart, and I will walk with you

You'll be in my heart, always
I will be with you
I'm on my way, I can go to distance
I don't care how long, somehow I will be strong
Oh, you'll be in my heart
You'll be here in my heart I know when we are, we can walk my walk
I will go most anywhere to find where I will love you
Like a shooting star I can go to distance
I will search my way, and I will fix it all
I don't care how far, I can go to distance
Till I find my hero welcome
And know that you will be in my arm
Waiting in your heart
