

# Wasted Time

## Skid Row

You and I together in our lives  
Sacred ties would never fray  
Then why can I let myself tell lies  
And watch you die every day  
I think back to the times  
When dreams were what mattered  
Tough talking youth naivete  
You said, you never let me down  
Oh, but the horse stampedes and rages  
In the name of desperation  
Is it all just wasted time  
Can you look at yourself  
When you think of what  
You left behind  
Is it all just wasted time  
Can you live with yourself  
When you think of what  
You've left behind  
Paranoid delusions they haunt you  
Where's my friend I used to know  
He's all alone, he's buried deep within  
A carcass searching for a soul  
Can you feel me inside your heart  
As it's bleeding  
Why can't you believe you can be loved  
I hear you scream in agony  
And the horse stampedes and rages  
In the name of desperation  
Is it all just wasted time  
Can you look at yourself  
When you think of what  
You left behind  
Is it all just wasted time  
Can you live with yourself  
When you think of what  
You've left behind  
You said, you never let me down  
Oh, but the horse stampedes and rages

In the name of desperation  
Is it all just wasted time  
Can you look at yourself  
When you think of what  
You left behind  
Is it all just wasted time  
Can you live with yourself  
When you think of what  
You've left behind  
The sun will rise again  
The earth will turn to sand  
Creation colors seem to fade to grey  
And you'll see the sickly hands of time  
Will write your final rhyme  
And end a memory  
I never thought you'll let it get  
This far, boy  
I never thought, I never thought you'll let it get  
This far, boy, oh no, oh  
I never thought, I never thought you'll let it get  
This far, boy, no  
I never thought you'll let it get  
This far, boy
