

Little Bit of This, Little Bit of That

Carolyn Dawn Johnson

Little bitty baby takes her first step
Out in the big whole world
Falls on her butt and picks herself up
Daddy says, "That's my girl" You go to school, subtraction and addition
You learn to give and take
Sometimes you win, sometimes you lose
You're gonna make mistakes It takes a little bit of this
Hoah, with a little bit of that
A little bit of good
Yeah, with a little bit of bad You know that life's a contradiction
And you can't escape the fact
You gotta take a little bit of this
With a little bit of that Hoah Well, two hearts and opposite attraction
It's just their luck, they fall in love
He wants it his way and she wants it hers
Working out all that stuff It takes a little bit of this
Hoah, with a little bit of that
A little bit of good
Yeah, with a little bit of bad You know that life's a contradiction
And you can't escape the fact
You gotta take a little bit of this
With a little bit of that It all makes sense
Once you discover
You can't have one without
You can't have one without the other It takes a little bit of this
Hoah, with a little bit of that
Oh, a little bit of good
Yeah, with a little bit of bad It takes a little bit of this
Hoah, with a little bit of bad
A little bit of good
Yeah, with a little bit of bad, yeah You know that life's a contradiction
And you can't escape the fact
You gotta take a little bit of this
With a little bit of that, hoah yeah A little bit of this, that, this, that
Hoah yeah, oh yeah
A little bit of this
A little bit of that
A little bit of this
A little bit of that

Little bit of this
