Fade Into Darkness - Vocal Radio Mix

Avicii

Looking up
There's always sky
Rest your head
I'll take you high

We won't fade into darkness
Won't let you fade into darkness

Why worry now
You'll be safe
Hold my hand
Just in case

And we won't fade into darkness
Fade into darkness
No we won't fade into darkness
Fade into darkness

And we won't fade into darkness
Fade into darkness
No we won't fade into darkness
Fade into darkness

This world can seem
Cold and grey
But you and I
Are here today

And we won't fade into darkness
No we won't fade into darkness

Nothing to fear
But fear itself
We'll be OK
Just keep the faith

And we won't fade into darkness
Fade into darkness
No we won't fade into darkness

Fade into darkness

Whoa
Whoa (fade into darkness)
Whoa
Whoa (fade into darkness)

Whoa
And we won't fade into darkness (whoa)
Fade into darkness (whoa)
No we won't fade into darkness (whoa)
Fade into darkness (whoa)

Whoa
Fade into darkness
