

Hey Jude

Jason Lancaster

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it betterHey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it betterAnd anytime you feel the pain, hey Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it cool
By making his world a little colder
Nah nah nah nah, nah nah nah nahHey Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it betterSo let it out and let it in, hey Jude, begin
You're waiting for someone to perform with
Oh and don't you know that it's just you, hey Jude, you'll do
The movement you need is on your shoulder
Nah nah nah nah, nah nah nah nah, yeahHey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it
Better better better better betterNah, nah nah, nah nah nah nah, nah nah nah nah, hey Jude
