

Beer Pong Massacre

Dr. Acula

Oh,
It all comes down to us,
Ten and ten
I'll double block it, bounce it off
(Show you up) We're gonna show you up,
We're gonna drink your beers,
We're gonna take your girls,
We're gonna make you cry

Aye, yo, lemme get a re-rack
Cause your shits wack
Bounce shot, 2 cups,
Bring that shit back
10 cups of glory 1 cup of sink,
Put that ball up, make that bitch drink x2

fucking drink,
tonight we'll get drunk

talking

We are the victorious
1, 2, 3 yeah!
We can ?
Give us ?
Next!
