

I'll Be Alright

Beckah Shae

Verse 1

Your eyes spinning all around like they

See it all

A thousand years just like a day

Your eyes never close

And there's not a moment you grow tired

I've often wondered how it would be to

Lose everything and need

Nothing more than all you are

and all that you exist to be

Oh*Pre Chorus*

Even when the world gets crazy

instead of watching it

I keep my eyes glued to you

and wait for what your gonna do

Cause I'll be holding on to your promises yeah I remember what you said

If I fight the good fight

I'ma I'ma be alright*Chorus*

Even if I lost my sight, I'll be alright

Even with my last goodbye, I'll be alright

Cause I'm yours and you are mine

and as long as I have you, I'll be alright

Even when the pressure's tight, I'll be alright

Even when the darkness bites, I'll be alright

Cause I'm yours and you are mine

and as long as I have you, I'll be alright*Verse 2*

Your love is stronger than even death's sting

Your heart is the only perfect beat

Your truth is life,

And everything that really matters to me

I've often wondered how it would be

To gain everything and lose my soul

Oh, but what a tragedy

If I lose you, I lose it all
