

Make My Head Go Pop

Roxette

I don't know much about you, but I pretty sure I want to be with you
I haven't got a clue what is wrong, what is right, what is left to do

I read a magazine

I watch a TV-screen

I dive into a dream only to find me in love with you I wish you'll never stop to make my head go pop

You make my head go pop pop pop pop pop pop

every time you're around It's a pleasant valley Sunday and everything seems to be beautiful

People go to church, but I'm found contemplating by the swimmingpool

I'm gazing at the sun

I watch him bringing joy to everyone

I feed the ducks with a ban only to find me in love with you I wish you'll never stop to make my head go pop

You make my head go pop pop pop pop pop pop You make my head go pop pop pop pop pop pop

every time you're around

Press to play and never stop to make my head go pop

Yea, you make my head go pop pop pop pop pop pop every time you're around Make my head go pop pop pop

Make my head go pop pop

Go pop pop

I feed the ducks with a ban only to find me in love with you
