

# Tie Me Down

Jack Savoretti

Tie me down,  
Iâ€™ll go wild, Iâ€™ll go wild  
You canâ€™t hold down,  
A homeless child, a homeless child

No man was born to be locked up,  
No man is born to not be free  
Weâ€™re here to live, weâ€™re here to love  
Weâ€™re here to touch, feel and see

When the lows get to heavy  
I must teach myself to climb

Tie me down,  
Iâ€™ll go wild, Iâ€™ll go wild  
You canâ€™t hold down,  
A homeless child, a homeless child

Behind the cloth, behind the paint  
Behind the flesh and bones  
Behind the laughter and the pain  
Behind the eyes lies my soul

When the tears get to heavy  
I must teach myself to cry

Tie me down,  
Iâ€™ll go wild, Iâ€™ll go wild  
You canâ€™t hold down,  
A homeless child, a homeless child

Thereâ€™s got to be a way  
Iâ€™m a hunter for a better day

Tie me down,  
Iâ€™ll go wild, Iâ€™ll go wild  
You canâ€™t hold down,  
A homeless child, a homeless child

Tie me down,

Iâ€™ll go wild, Iâ€™ll go wild  
You canâ€™t hold down,  
A homeless child, a homeless child

Tie me down,  
Iâ€™ll go wild, Iâ€™ll go wild  
You canâ€™t hold down,  
A homeless child, a homeless child
