

# Zillion Dollar Sadist

## Turbonegro

I used to be such a welfare stoner  
I used to be such a twilight zoner  
I used to be such a money bumming boozier  
I used to be such a masochistic schmoozer But now I'm worldwide you know that I made it  
I'm above the law, I'm the zillion dollar sadist, zillion dollar sadist  
What do you want, what do you want for nothing baby  
What do you want, what do you want for free I tell you what you need, it's some hanky action baby  
I wanna hear you scream in Denim ecstasy  
Yes indeed 'cause now I'm worldwide you know that I made it  
I'm above the law, I'm the zillion dollar sadist, zillion dollar sadist well c'mon Yeah now I'm worldwide you  
know that I made it  
I'm above the law, I'm the zillion dollar sadist  
Take it to the bridge, I promise fun to all and everyone  
No questions asked it's gonna be great a new dimension of joy
