

The Saints Are Coming

Green Day

(feat. U2)[Originally by The Skids]There is a house in New Orleans

They call the Rising Sun

It's been the ruin

Of many a poor boy

And God I know I'm oneI cried to my daddy on the telephone "how long now?"

"Until the clouds unroll and you come down," The line went

But the shadows still remain since your descent, your descentI cried to my daddy on the telephone "how long now?"

"Until the clouds unroll and you come home," The line went

But the shadows still remain since your descent, your descent

Boom Cha Hey!The saints are coming

The saints are coming

I say no matter how I try

I realize there's no replyThe saints are coming

The saints are coming

I say no matter how I try

I realize there's no replyA drowning sorrow floods the deepest grief, how long now

Until a weather change condemns belief, how long now

When the night watchman lets in the thief, what's wrong nowBoom Cha Hey!The saints are coming

The saints are coming

I say no matter how I try

I realize there's no reply

The saints are coming

The saints are coming

I say no matter how I try

I realize there's no reply

I say no matter how I try

I realize there's no reply

I say no matter how I try

I realize there's no reply
