It Didn't Make A Sound

Court Yard Hounds

When I called I heard you say

"Tell her I'm out"

And don't you know I'm smart enough

To figure you out?You said, "Come on we need to talk

Let's go for a ride"

But you don't have to say a thing

I can read your mindI hear the song on the radio playing loud

I might forever hear the words

You felt that let me downHey, but my heart breaking

Hey, but my heart breaking

It didn't make a sound

It didn't make a soundWe sat up all night

While you apologized

And I think you were surprised

To see me smileBut all I heard was the sound

Of the freedom bells ringing

I bet you thought I would be breaking downHey, but my heart breaking

Hey, but my heart breaking

It didn't make a sound

It didn't make a soundHey, but my heart breaking

Hey, but my heart breaking

Hey, but my heart breaking

Hey, but my heart breakingIt never made a sound

It didn't make a sound

It didn't make a sound

It never made a soundGo ahead and leave me darling

You won't ever see me crying

You'll never hear my heart breaking

It didn't make a sound

It didn't make a sound

It never made a sound
