

Deaf Ears

Guided By Voices

?? wash and wait
A human sanitation aid
And I will starve to death
 Until you feed me
 With your tenderness
 Greet me with your
 Slimy hands
You beckon me with open arms
 You offer salvation
 And I salivate
 But it's too late
 And you're a dollar short
 And that's too bad
 Cause what you got
 I wish I had
 I seek to ??
But you get madChorus: My final words
 Have fallen upon deaf ears
 My last few words
 Have fallen upon deaf ears
 repeat chorus twice
