

# Shiver

## Alex Valentine

You build me up, you knock me down  
Provok a smile and make me frown  
    You are the queen of run around  
        You know it's true  
    You chew me up and spit me out  
Enjoy the taste, I leave in your mouth  
        You look at me, I look at you  
        Neither of us know what to do  
            And there may not  
        Be another way to your heart  
So I guess I'd better find a new way in  
        I shiver when I hear your name  
I think about you but it's not the same  
I won't be satisfied 'til I'm under your skin  
    Immobilized by the thought of you  
    Paralyzed by the sight of you  
    Hypnotized by the words you say  
    Not true but I believe 'em anyway  
        So come to bed it's getting late  
There's no more time for us to waste  
    Remember how my body tastes

You feel your heart begin to race  
    There may not  
    Be another way to your heart  
So I guess I'd better find a new way in  
        I shiver when I hear your name  
I think about you but it's not the same  
I won't be satisfied 'til I'm under your skin  
    You feel your heart begin to race  
    There may not  
    Be another way to your heart  
So I guess I'd better find a new way in  
        And I shiver when I hear your name  
I think about you but it's not the same  
I won't be satisfied 'til I'm under your skin, yeah  
    There may not  
    Be another way to your heart  
So I guess I'd better find a new way in

And I shiver when I hear your name  
I think about you but it's not the same  
I won't be satisfied 'til I'm under your skin, yeah
