Horseshoes

Moxy FrÃ¼vous

Sittin' on the front porch
Rockin' on the porch swing
Waylon on the radio
Listen to the crickets sing
Hi yi yippi yi
Yippi yi yeah
While the sun shines
better make hay yeah
I'm feelin' lucky tonight, yeah
and everything's gonna be alright
Ringing those horseshoes
Ringing those horseshoes
Kickin' back, kickin' butt
knockin' on wood
There ought to be a law against
feelin' this good

Life is a rodeo
a one horse town
Get back up
when it kicks you down
I'm feelin' lucky tonight, yeah
and everything's gonna be alright
I got it good I got it made in the shade
I feel like Gretzky on a breakaway
For no good reason things are goin' my way
I got to tell you
Life I love it, love it
love it yeah!
I'm feelin' lucky tonight, yeah
and everything's gonna be alright
