Get To You

McKenna Mendelson Mainline

So close to midnight
Under the streetlights
Leaving behind what I don`t need
I`ve walked like a blind man
And my eyes are open
And you are the only place for me
Won't you hold on just for a while
Please don`t give up on me tonight
Coz I`m on my way
I chased the day
Yeah I`ll keep running all night
I just wont rest to catch my breath
I will run every red light
To get to you
No I will, get to you
No I will, get to you
I`ll chase past the tail lights
Head for the skyline
Hoping that, that wont change your faith
I see them appearing
The cracks in the pavement
Running I pray I`m not too late
Wont you hold on just for a while
Please

Please don`t give up on me tonight
Coz I`m on my way
I`ll chase the day
Yeah I`ll keep running all night
I just wont rest to catch my breath
I will run every red light
To get to you
No I will get to you
No I will get to you
I will
I`ll get to you
Just hold on a little longer
I`ll get to you
Oh just don`t give up on me

I will get to
I will get to you
Coz I`m on my way
I chased the day
Yeah I`ll keep running all night
I just wont rest to catch my breath
I will run every red light
To get to you
No I will get to you
No I will get to you
I will
I will get to
I will get to you
