Strapping Young Lad

hey, you failed like god in me
feasting like dogs, you fucks, get out of my way
I warned you...hey, the fools shall not be entertained
feasting like gods
you fucks are in my way
I warned you...
fuck you... stupid human beings...
technology will be the second coming
and it will hit us while you're looking for a manI warned you...t e c h n o l o g yhating, burning, waiting, falling
fucking, twisted human cancer
fuck your bullshit america
