

# I Won't Go Back

William McDowell

[Intro]

[Choir]

I've been changed

Healed

Freed

Delivered

I've found joy

Peace

Grace

And favor

[Verse 1]

[William McDowell] I've been changed [Choir] I've been changed

[William McDowell] In the presence of the lord, I have been:

Healed

[William McDowell] Freed; [Choir] freed

[William McDowell] Delivered; [Choir] delivered

[William McDowell] In your presence of the lord:

I've found joy

Peace

[William McDowell] Grace; [Choir] Grace

[William McDowell] And favor; [Choir] and favor

[William McDowell] And right now; [Choir] right now is the moment

[William McDowell] Today; Today is the day

[William McDowell] I've been changed; [Choir] I've been changed

[William McDowell] I've been changed; [Choir] I've been changed

[William McDowell] And I have waited; [Choir] I have waited for this moment to come

And I won't let it pass me by...

[Chorus]

[William McDowell] So we say

[Choir] I won't go back, can't go back, to the way it used to be

Before your presence; came and changed me

[William McDowell] Say I won't

[Choir] I won't go back, I can't go back, to the way it used to be

Before your presence came and changed me

[Verse 2]

[Choir]

All my shame

Guilt

Sins

[William McDowell] They've been forgiven, [Choir] Forgiven

No more chains

Fear

[William McDowell] My past [Choir] My past [William McDowell] is over [Choir] is over

[William McDowell] Say right now; [Choir] right now is the moment

[William McDowell] Today; Today is the day

[William McDowell] I've been changed; [Choir] I've been changed

[William McDowell] Come on someone declare that, I've been changed; [Choir] I've been changed

[William McDowell] I have waited; [Choir] I have waited for this moment [William McDowell] this moment  
right here I have waited all my life [Choir] to come

And I won't let it pass me by...

[Chorus]

[William McDowell] So we say

[Choir] I won't go back, can't go back, to the way it used to be

Before your presence came and changed me

[William McDowell] Would you lift up your voices as loud as you can and say?

[Choir] I won't go back, can't go back, to the way it used to be

Before your presence came and changed me

[William McDowell] Come on, somebody, lift your voice and declare it and say

[Choir] I won't go back, can't go back, to the way it used to be

Before your presence came and changed me

[William McDowell] Somebody say... I won't go back, say

[Choir soft] I won't go back, can't go back, to the way it used to be

Before your presence came and changed me
