Artemis

the law of gravity is nonsense
no such law exists
if i think i float
and you think i float
then it happens

do you remember
(oh precious flower)
sleeping in a glass box
under juniper and sun

one for sorrow two for joy
three for a girl and four for a boy
five for silver six for gold
seven for secrets never told

le oiseau chante une fois (the bird sings once)
avec ses droigts (with its fingers)
