Maisie

Syd Barrett

Maisie, Maisie, Maisie, Maisie
Bad luck, bride of a bull
Strode out to meet Maisie in the evening lightMaisie, his illuminous grin put her in a spin
Maisie, lay in the hall
With diamonds and emeraldsMaisie, Maisie
Bad luck, the bride of a bull
Strode out to meet Maisie in the evening light
Maisie, his illuminous grin put her in a spinMaisie lay in the hall with her emeralds
And diamond broach, beyond reproach
