

# Miracle

Julian Perretta

When the leaves turn brown  
I watch them burn  
Across the sun and above the clouds  
The sirens clear  
I'm ready to fall and find a lover that was meant for me  
When the wolves run wild  
I see myself  
But you won't take this road I go down  
The nights grow cold  
The flame goes out  
Living forever in a ghost town You save me  
I save you  
A miracle that was meant for two  
I save you  
You save me  
A miracle with every beat of my heart Every beat of my heart  
Every beat of my heart  
Every beat of my heart  
Every beat of my heart  
Every beat of my heart You save me  
I save you  
A miracle that was meant for two  
I save you  
You save me  
A miracle with every beat of my heart  
Every beat of my heart  
Every beat of my heart  
Every beat of my heart  
Every beat of my heart
