

# Still Not Falling

## Shy Girls

Somehow I knew that you would know me better than that All this commotion

None of the emotion

I think I want it over

but you wanna come over I ain't a world-class gentleman, baby

You don't know me like you should;

that's okay, babe

We can work it out or we can work it through

We can end it now or we can run it to the ground I'm still not falling for you

I'm still just waiting by your side

I'm just waiting by your side, girl

Oh, I'm still not falling, still not falling for you

I'm still waiting by your side

I'm still waiting by your side I'm not an athlete

I sit at home and make beats

No, I'm not a player,

so this isn't fair I'm not a world-class gentleman, baby

You don't know me like you should;

that's okay, babe

We can work it out or we can work it through

We can end it now or we can run it to the ground Cause one, I don't even know what this is about

Two, it never seemed like you had any doubts

Three, you never wanna call me on my bluff

Four, I never know when enough is enough I'm still not falling for you

but I'm here waiting by your side

I'm still waiting by your side, girl

Oh, I'm still not falling, still not falling for you

I'm still waiting by your side

Oh, I'm still waiting by your side I'm still not falling for you

but I'm here waiting by your side

I'm still waiting by your side, girl

Oh, I'm still not falling, I'm still not falling for you

I'm still waiting by your side

Oh, I'm still waiting by your side I'm still not falling for you

I'm just here waiting by your side, girl

I'm still waiting by your side

Oh, I'm still not falling, still not falling for you Somehow I knew that you would know me better than that
