

# It's Not Fair

**Emma Forman**

For a minute I thought you felt the same  
but then you broke off your stare  
and your introduced your new girlfriend  
Her eyes blue and shine like diamonds  
Her bank balance very near the millions  
so how could I ever win your love?  
It's not fair  
It's not fair  
Love is only for the beautiful and the wealthy  
Love is only for those that can afford it  
Love is only for the beautiful and the wealthy  
Not me, not me  
You'll never know how much I love you  
You'll never know true love  
You always go with the highest bidder  
and that is what rules me out
