I See Stars

You can try to take this from us
You waste your days away counting numbers
I will never let this goI won't let this go
This opportunity to leave my head
I'd be nothing without this
We'd be nothing without this
Waiting for the show
I'll leave this room with far more hope
Waiting for the show
I'll leave this room with far more hopeI'll jump until my legs give in
I'll scream until there's nothing left to say
The only faith I ever had in me was because you were singing
Waiting for the show
I'll leave this room with far more hopeThis is our life
We're all kings for now
And I'm wasting light
This is our life
We're all kings for now
And I'm wasting lightI won't let this go
This opportunity to leave my head
I'd be nothing without this
We'd be nothing without thisThis is our life
We're all kings for now
We're all wasting light away
I won't let you downI'll jump until my legs give in
I'll scream until there's nothing left to say
The only faith I ever had in me was because you were singing
Waiting for the show
I'll leave this room with far more hope
