

# Fall Down

## Starling

Verse 1:

We've seen these headlines in this place before  
As history repeats itself once more  
And then we fall down, fall down, fall down again.  
Then we fall down, fall down, fall down again.

Verse 2:  
Familiar faces fill the streets for war  
The time has come again to settle the score

Chorus:  
Calling all the boys,  
Calling all the girls,  
Calling all the rebels to this cause.  
Calling all to fight,  
To turn against the tide,  
Calling so we live with no remorse  
And I won't go, I won't go, I won't go  
I won't go quiet,  
And I won't go, I won't go, I won't go  
I won't go quietly.

Verse 3:  
The new horizon brings the dream reborn  
As expectation fills the air once more  
So we don't...
