

Don't Walk Away (Radio Edit)

Pat Benatar

Standin' in the doorway, forgot to say one thing
You've always had the power to lift my wings
I know I shouldn't need so much, an' we could say goodbye
Oh yes I am a dreamer, I still see us flyin' high We can start over, darlin' it's clear
Love is what brought you here Don't Walk Away
Oh, to see if I follow
Don't Walk Away, victory's hollow
Been that road, it didn't take us home
Turn around, you won't be alone Somethin' brings us together, keeps tearin' us apart
The wounded are much wiser, we'll just take it from the start We can start over, darlin' it's clear
Love is what brought you here Don't Walk Away
Oh, to see if I follow
Don't Walk Away, victory's hollow
Been that road, it didn't take us home
Turn around, you won't be alone We can start over, darlin' it's clear
Love is what brought you here Don't Walk Away
Oh, to see if I follow
Don't Walk Away, victory's hollow
Been that road, it didn't take us home
Turn around, you won't be alone
Don't Walk Away
Don't Walk Away! Oh, to see if I follow
Don't Walk Away, victory's hollow
Been that road, it didn't take us home
Turn around, you won't be alone
Don't Walk Away
Oh, to see if I follow
Oh, Don't Walk Away, Don't Walk Away
Been that road, it didn't take us home
Turn around, turn around, you won't be, you won't be alone
