

What Do You Take Me for

Lexicon

(Pusha T) (Intro)

Let's go

Uh, the drop-top specialist

Yes, we turn heads like an exorcist

Red bottoms on our feet looking devilish

We take it to the next level, feel effortless

(Pixie Lott) [Verse 1]

I'm tired of you kicking the dirt, just want the dust to settle

I'll find just what I deserve, if you cant do better

Can't say that you'll take your time, before the sweet turns sour

You changed right before my eyes, you picked the wrong flower

[Chorus]Don 't know what you think I'm after

Don't think I can take anymore

Don't know what you think I'm after

What do you take me for, what do you take me for

Then I'm like whatever

Go on right through the front door

Bye I'll see ya later

What do you take me for, what do you take me for

[Verse 2]Boy now that the tables have turned, don't let me see you begging

It's a hard life lesson to learn, when its me you're not getting

So low but you're all alone, and now you got no power

Let go cos I'm cutting the rope, guess you climbed the wrong tower

Don't know what you think I'm after

Don't think I can take anymore

Don't know what you think I'm after

What do you take me for, what do you take me for

Then I'm like whatever

Go on right through the front door

Bye I'll see ya later

What do you take me for, what do you take me for

(Pusha T)

Two tears in a bucket,

The way you handle this,

Yeah I'm disgusting

Never been busted, treat me like a suspect

Why am I the one that just can't be trusted

Try harder, discuss it, why bother

I made you, I'll make another and she'll go further
And you can bet a million on it
South of France on a yacht with us chillin on it
[Chorus]Don't know what you think I'm after
Don't think I can take anymore
Don't know what you think I'm after
What do you take me for, what do you take me for
Then I'm like whatever
Go on right through the front door
Bye I'll see ya later
What do you take me for, what do you take me for
