If You Go

Yeng Constantino

Baby I don't know why'd you hurt me.
I trusted you and gave my all.
Baby why'd you have to tell those lies.
You said you were always there for me.
And all these time I prayed at night that we would take this love forever, but all these time you proved it wrong.
you weren't there when I needed you.If you go please remember I love you still.
I'll be there to hold you, and baby know your heart in me.
I must move on and take this journey alone.
If you go please remember I love you still.
I'll be there to hold you, and baby know your heart in me.
I must move on and take this journey alone.
Baby why'd you have to tell those lies.
You said you were always true to me.
And all my life I prayed that we would take this love forever.
And all this time you proved it wrong, you weren't there when I needed you.If you go please remember I love you still.
I'll be there to hold you, and baby know your heart in me.
I must move on and take this journey alone.
If you go please remember I love you still.
I'll be there to hold you, and baby know your heart in me.
I must move on and take this journey alone.
If you go please remember I love you still.
I'll be there to hold you and baby know that I'm missing you.
I must move on and take this journey alone.
Take this journey alone.
Take this journey alone.
Take this journey alone.
