Do Not Disturb

[Gene Parsons](#)

Do not disturb my dog on the porch
If you are lost then you best get a horse
Do not disturb my goat in the mud
Else he'll blame you for causing the flood
I know that you do get
Nice and loose 'cause we do too
I know that you do get
Nice and loose 'cause we do too
Dee de lay ee ay ee de lo ooh oh ooh de lay ee
Dee de lay ee ay ee de lo ooh oh ooh de lay ee
I know that you do get
Nice and loose 'cause we do too
I know that you do get
Nice and loose 'cause we do too
Do not disturb the lint on my coat
Else I'll throw garbage all over your road
Do not disturb the beers in my head
Else I'll let skunks in the door of your shed
I know that you do get
Nice and loose 'cause we do too
I know that you do get
Nice and loose 'cause we do too
Dee de lay ee ay ee de lo ooh oh ooh de lay ee
Dee de lay ee ay ee de lo ooh oh ooh de lay ee
Dee de lay ee ay ee de lo ooh oh ooh de lay ee
