

# Red, Gold and Green

## Burning Spear

Meet me at the bank of the beautiful river

Meet me at the bank of the beautiful river

And your journey has end...Right over there...

Right over there...It's, green and gold, it's the rainbow

It's, green and gold, it's the rainbow

It's, green and gold, it's the rainbow

It's, green and gold, it's the rainbowThe rainbow...Oh, the rainbow...The the rainbow...Whoa the  
rainbow...Chanting on my can around the rainbow circle chow

Chanting on my can around the rainbow circle chowThe lion, the lion, the lion, the lion, crown the king  
The lion, the lion, crown the king

In Addis Ababba, Africa

The, yes, continent, continent, continent, continent

Continent, continent, continent, continent, continentIt's, green and gold, it's the rainbow

It's, green and gold, it's the rainbow

It's, green and gold, it's the rainbow

It's, green and gold, it's the rainbowMeet me at the bank of the beautiful river

Meet me at the bank of the beautiful riverRight over there...Right over there...It's, green and gold, it's the  
rainbow

It's, green and gold, it's the rainbow
