

Slowmotion Girl

Laid Back

Are you waiting for a miracle
you better clean up your mind
cause I can see no reason why
You shouldn't step in line
don't you think its time

To do it do it do it do it better
you can do it better if you try
do it do it do it do it better
do it better if you try
why don't you try try
why don't you try try
give it a little try try
let's try try

Every time we walk
and every time we talk
every time you make me feel so slow
why don't you shake it up
oh oh, why don't you break it up
why don't you shake it up oh oh
why don't you give it up

You're a slow motion girl
Slow motion
you're a slow motion girl
you're in slow motion
girl
girl
you make me feel so slow
girl
yeah

Are you living in another world?
take a look around
I don't believe the spy in the sky
will save your life
don't you think it's time

To do it do it do it do it better

You can
do it better if you try
You can do it do it do it do it better
do it better if you try
why don't you try try
why don't you try try
give it a little try try
come on let's try try

Every time we walk
and every time we talk
every time you make me feel so slow
why don't you shake it up oh oh
why don't you break it up
why don't you shake it up oh oh
why don't you give it up

Why don't you get your self together
why don't you get your self together
tell me why
why don't you get your self together
tell me why
why don't you get your self together

You're a slow motion girl oh oh
slow motion
you're a slow motion girl oh oh
slow motion
Slow motion girl
yeah
Slow motion girl
yeah

Get you're self together
together
>get you're self togethe
